

Wenzhou Boxuan Technology Co., Ltd.

**Founded in Wenzhou, Manufacturing with Our Own Factory in Yiwu —
Your Direct Source for Premium, Compliance-Ready Fragrance Export**

Why Choose Boxuan?

✓ Own Factory in Yiwu, Full Production Control

We operate our **own fragrance manufacturing facility in Yiwu, Zhejiang**—not a cooperative or third-party partner. Certified with **ISO 22716** and **GMPC**, our factory ensures end-to-end control from R&D and formulation to filling, quality inspection, and packaging. Every batch complies with **IFRA international standards** and comes with complete **SDS documentation** for the EU, USA, GCC (Middle East), and Southeast Asia.

✓ Wenzhou Entrepreneurship × Yiwu Manufacturing Power

Our founding team hails from **Wenzhou**, China's cradle of private enterprise, known for its global trade acumen and agile execution. We combine this market-driven mindset with the industrial advantages of **Yiwu—the world's hub for daily chemical and consumer goods manufacturing**—to deliver fragrance solutions that balance innovation, compliance, and cost efficiency.

✓ Data-Driven, Region-Specific Product Strategy

- **GCC / Middle East:** High-concentration perfumes with long-lasting oriental notes (e.g., Oud, Amber, Musk)
- **Europe & North America:** Fully traceable, eco-friendly formulas with rapid sampling and private-label customization
- **Southeast Asia:** Light, fresh scents like fruity florals and oceanic accords tailored to tropical climates

✓ True Self-Operated Exporter – No Middlemen

As a **direct exporter with our own factory**, we offer:

- Highly competitive FOB pricing
- Flexible MOQs

- Reliable lead times

All backed by in-house production capacity and export experience.

About Us

Boxuan was founded by a dynamic Wenzhou-based team and manufactures exclusively through our **own facility in Yiwu**. We track real-time trends—from TikTok viral fragrances to seasonal peaks like Ramadan and Christmas—and rapidly transform insights into compliant, high-quality products. We're not just a manufacturer; we're your strategic partner for successful fragrance brand building worldwide.
