We draw your attention on the fact that this certificate is a standard template of information exchange between supplier and customer. It concerns the compliance to IFRA standards at the latest amendment of the fragrance/flavour concentrate only and not the safety assessment of the finished product.

In no case this document can be seen as a replacement of your obligations and responsibilities as the party manufacturing, launching or distributing the product for sale in the market.

We disclaim all responsibility in case of possible interactions between the fragrance/flavour concentrate and the other ingredients used in the finished product, which cannot be taken into account by this evaluation. The information contained herein is, to the best of our knowledge, true and accurate at the time it is given.
